Event - management of the consequences following terrorist attacks

Media advisory

Brussels, 9 December 2016

Justus Lipsius building - rue de la Loi, 175, Brussels

An exhibition of member states' civil protection, security and medical capabilities for the management of the consequences of terrorist attacks will be held in the premises of the Council (atrium). This event will showcase assets from Slovakia, France, the Netherlands and Belgium, and will include a field hospital, mobile chemical, biological, radiological and nuclear treatment facilities, ambulances and fire trucks. The exhibition will demonstrate synergies and cooperation among member states and at EU level.

from 9.30 to 11.00
