Draft Eurogroup annotated agenda¹ **16 April 2021**

Starting time 11:00, videoconference

1. Debrief from international meetings

The President of the Eurogroup will debrief the Eurogroup on his participation in international meetings.

The spring meetings of the World Bank Group and the International Monetary Fund and meetings held in their margins are the occasion for discussions among policy-makers on global economic challenges.

2. Thematic discussion on insolvency frameworks

The Eurogroup will hold a thematic discussion on insolvency frameworks on the basis of a technical note prepared by the Commission.

Effective and efficient insolvency frameworks are of key importance for a quicker recovery, as well as to ensure more robust growth and deeper financial integration within the euro area in the future. Discussions on strengthening insolvency frameworks have been a long-standing Eurogroup workstream since 2016.

¹ As a draft agenda this document is provisional and subject to change until adopted.

3. The euro as a digital currency – stocktaking

Ministers will take stock of on-going work on the euro as a digital currency, based on a report from the ECB outlining the results of the consultation on a digital euro launched on 12 October 2020.

4. Review of the Eurogroup transparency initiative

Ministers will review the current transparency practice of the Eurogroup.

In recent years, the Eurogroup made significant progress in improving the transparency of its work and enhancing its public communication. It reviews its transparency policy regularly.
